VISION & MISSION

Vision:

To be the leading platform that enables individuals to generate reliable and scalable passive income by investing in profitable e-commerce businesses, ensuring financial growth and security for all stakeholders.

Vision:

Ecom Stake is dedicated to providing a transparent and profitable investment model where individuals can own fractional shares in Shopify and Amazon stores. We guarantee a minimum return of 3x the shareholder's investment by strategically managing and scaling e-commerce stores. Investors earn 15%-20% returns for the first three months, followed by ongoing profit distributions for up to 12 months based on their shareholding. Our mission is to democratize e-commerce ownership, maximize investor returns, and build a long-term, trust-driven investment ecosystem.

HOW ECOM STAKE WORKS

Invest

Buy fractional ownership in Shopify & Amazon stores.

Scale

Our team manages and grows the business for maximum returns.

Earn

Receive monthly passive income from store profits

Earn in \$

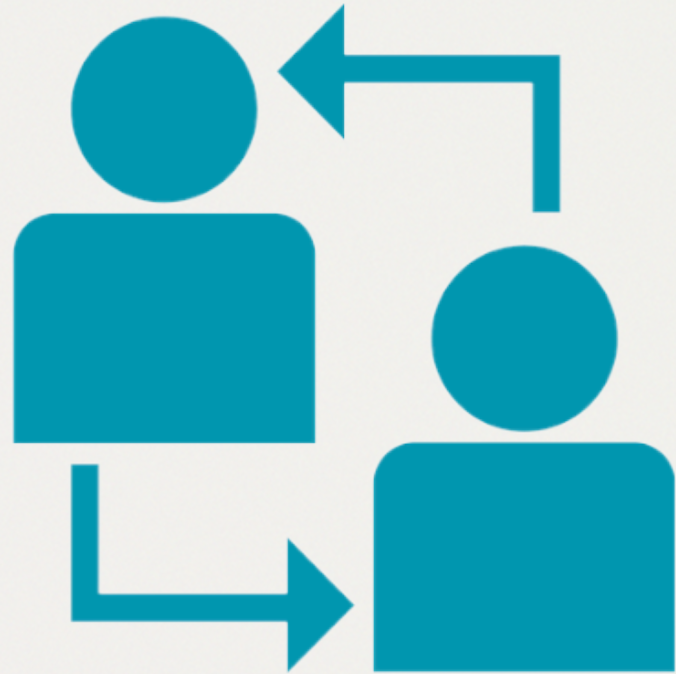

Earn as a Broker

100% Secure

3 Simple Steps to Grow Your Stake in Ecom Stake

- **Step 1:** *Choose Your Share Amount*

Select the stake amount that suits your goals:

- **Digital Assets:** \$50 to \$5,000
- **Physical Assets:** \$200 to \$30,000

(Make sure to choose an even amount!)

- **Step 2:** *Sign Up Using Your Referral Link*

After selecting your stake amount, complete your registration using the referral link provided. Once signed up, submit the following details to finalize your investment

- Full name
- Email
- Screenshot of your transaction

We'll then provide you with an invoice and agreement to confirm your stake.

- **Step 3:** *Enjoy Monthly Returns*

Relax and receive monthly returns based on your chosen stake:

- **Digital Assets:** 15%–20% Monthly Profit
- **Physical Assets:** 4%–8% Monthly Profit

Additionally, once your stake triples, you'll continue to earn a **2% return for the remaining period.**

Your Stake, Your Control

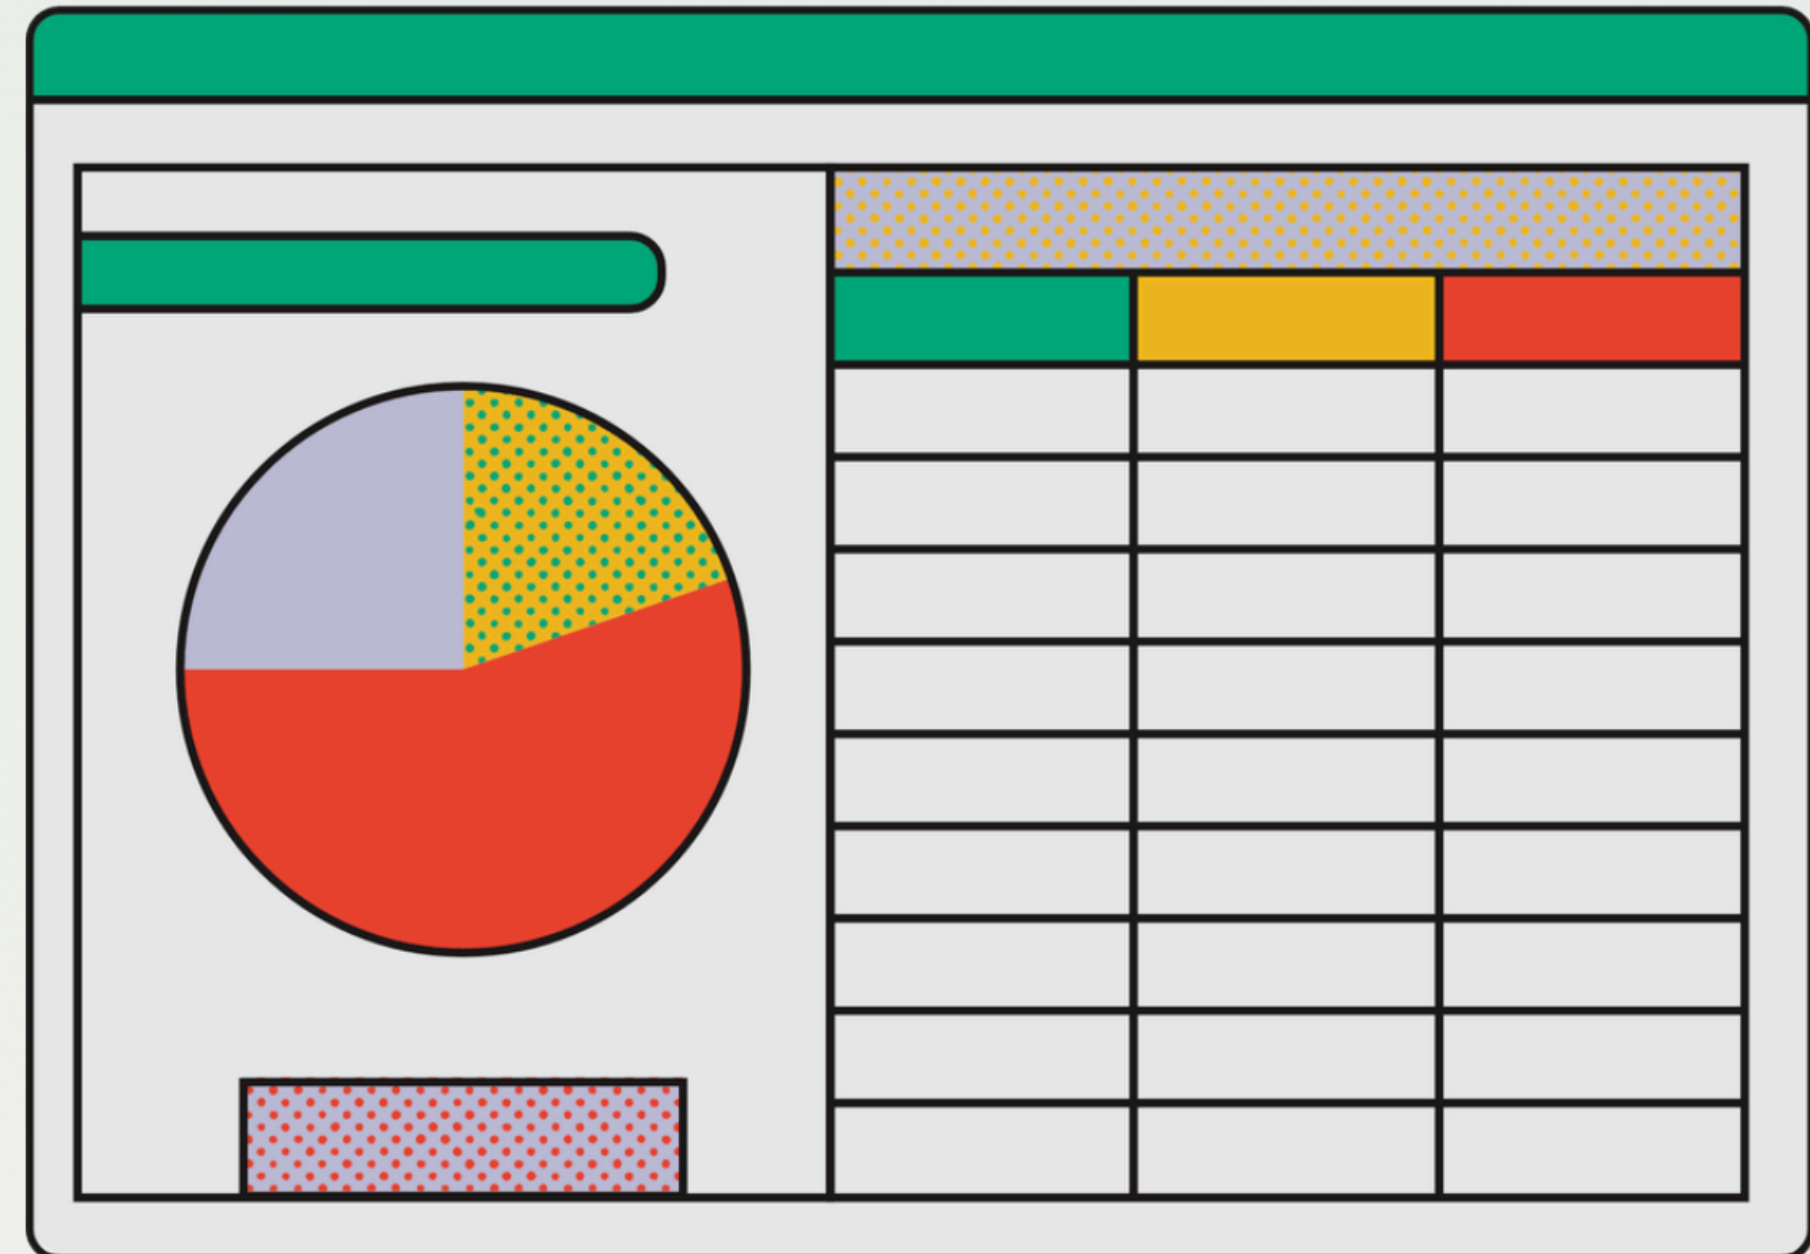

Total Transparency at Ecom Stake

We believe in building trust with our stakeholders. That's why we share a full, detailed spreadsheet for every store with its stakeholders.

This spreadsheet includes

- Total monthly earnings.
- Your share percentage
- Return distribution details.

You'll always know exactly how your stake is performing, making Ecom Stake one of the most transparent participation platforms out there.

What Our Stakeholder say

“

I started with the Starter Stake of \$50, just to test the waters. Within months, I saw consistent returns and decided to increase my stake. Ecom Stake's transparency and monthly profit updates give me complete peace of mind!

– **Sarah M**
Starter Stakeholder

“

I invested in the Growth Stake plan, and it's been a fantastic decision. Ecom Stake handles everything – from store setup to marketing – while I enjoy my share of the profits every month. Highly recommended for anyone looking to grow their funds without hassle!

– **James T**
Growth Stakeholder

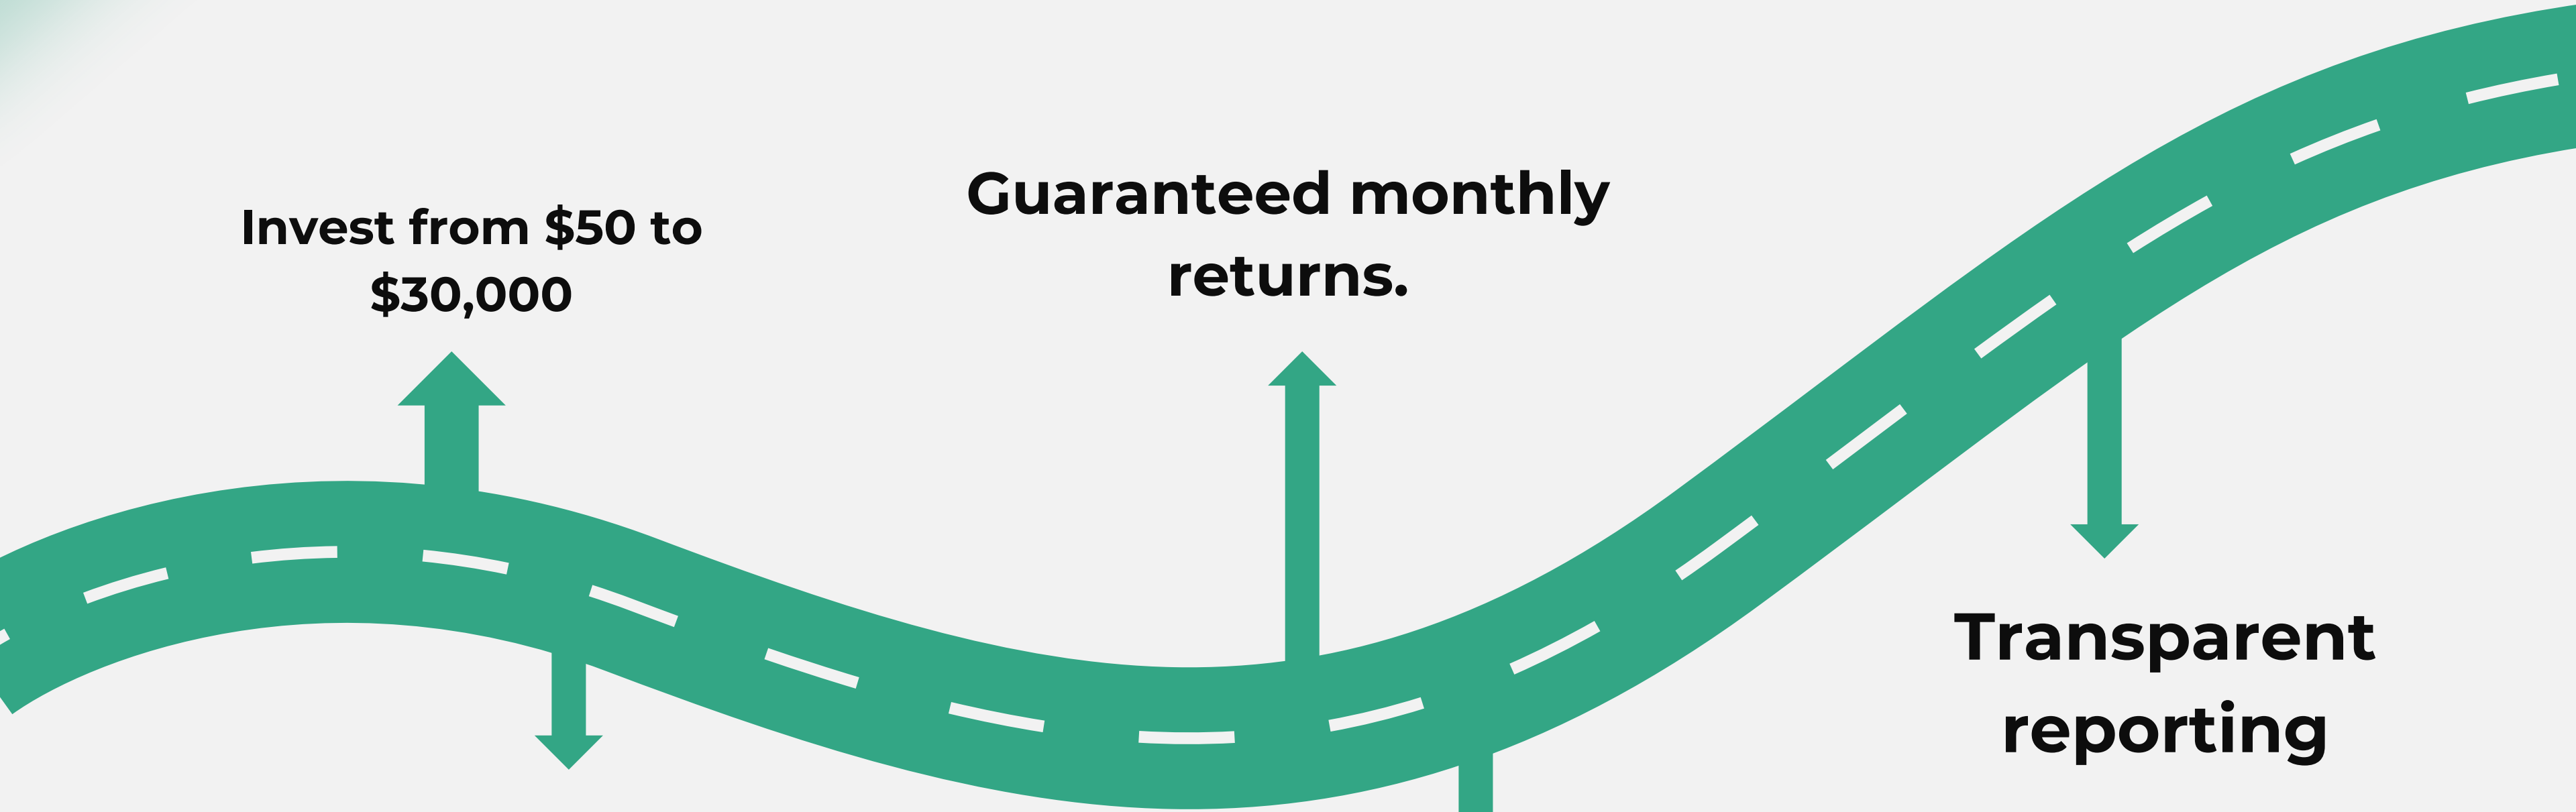

“

I went all-in with the Owner Stake plan, and I couldn't be happier. Not only have I recovered my initial stake with 3x returns, but the ongoing 2% profit after that is the cherry on top. Ecom Stake truly delivers on their promise!

– **Ayesha R**
-Owner Stakeholder

We proudly manage and own over 15+ profitable digital stores, generating consistent returns and proving the success of our investment model
